

A 262RM-DS

United States of America

Department of Transportation — Federal Aviation Administration

Supplemental Type Certificate

Number SAI 07RM

This certificate, issued to Univair Aircraft Corporation
Route 3, Box 59
Aurora, Colorado 80011

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 4a of the Civil Air Regulations.

Original Product — Type Certificate Number: A-691
Make: Piper
Model: J3C-65 with Reed Wing Conversion

Description of Type Design Change:

Install Continental O-200-A Engine and McCauley 1A101/DCM or Univair Aeromatic F200/00-73E Propeller with 18 gallon wing fuel tank per Univair Drawing U-10 Sheets 1, 2, 3, 4, 4a, 5, and 6 approved December 16, 1977.

Limitations and Conditions:

This approval should not be extended to airplanes of these models on which other previously approved modifications are incorporated unless it is determined that the interrelationship between this change and any other previously approved modifications will introduce no adverse effect upon the airworthiness of the aircraft.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application: December 21, 1976

Date reissued:

Date of issuance: July 26, 1977

Date amended:
